ELI'S BREAD KOSHER CERTIFICATE

This is to certify that the bread produced at Eli's Bread in Manhattan (aside from that which we will mention below) is Kosher and Pareve.

Excluded from our certification are those bread items with cheese, or produced on the Parmesan Cheese line: i.e. Parmesan Crisps and Brioche rolls, which are NOT under our certification.

This certification shall be valid until January 6, 2020, at which time it is subject to renewal.

With Blessings of Prosperity and Health,

Rabbi Yaakov Spivak
